SPRINGHILL HIGH SCHOOL

'66 Seniors Treasure Center Aisle

August 31, 1965
8:10 A. M.
Springhill High School
Arkansas at Church Street
Springhill, Louisiana
The traditional ring of the school bell.
The official beginning of the 1965-1966 school session—

"A NEW YEAR FOR OLD TRADITIONS"

Excitement prevailed!

The seniors slipped jubilantly into their auditorium seats on the "left-front." They had only moved across the aisle, but their progress heralded the year to march down that aisle. A small change! "But oh! the difference to them."

Their exuberance spread to the juniors and the sophomores. The freshmen, as excited about beginning a high school career as the seniors were at finishing one, caught the spirit.

Mr. Ed Olive, acting principal, welcomed the students. The theme of his speech was "A New Year—A Change." He announced a new acting assistant principal, former science teacher, Mr. Hastings Merritt, and a new secretary, Mrs. Virginia Waters. He introduced 7 new faculty members.

The student body adjusted quickly to the school life routine. Spirit and study united to begin '66—A NEW YEAR FOR OLD TRADITIONS

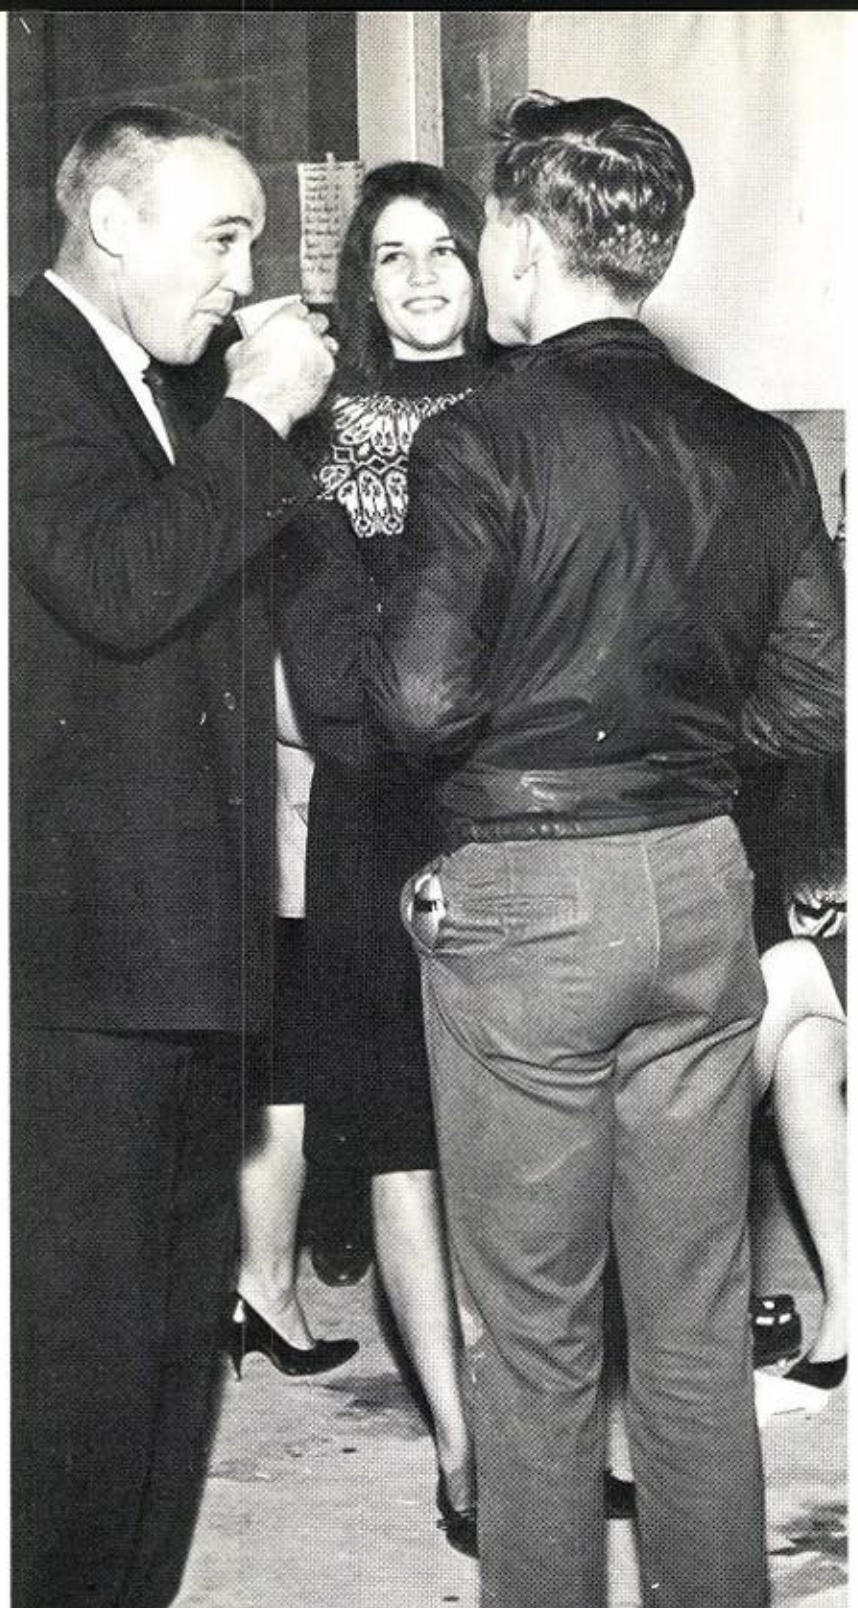
THE AXETTES—LEFT TO RIGHT, FIRST ROW: Cathy Bishop, Patricia Flournoy, Donna Nichols SECOND ROW; Patty Quina, Barbara Mize, Elaine Sanders, Cheryl Meyers, Gwen Wynn, Linda Robertson. THIRD ROW: Ann Craig, Rita Kay McDonald, Margie Smigiel, Stephanie Lineberry, Claudia Quina, Pam Kersh, Gayle Craig. FOURTH ROW; Elaine Lineberry, Cathy Cadenhead Sherry Hughes, Brenda Gryder, Vicki Cardwell, Cynthia Williams.

5 New Clubs Join the Traditional Ones

New organizations joined the S. H. S. roll of activities. The Quill and Scroll, International Journalism Honor Society, and The Spanish National Honor Society were initiated. The Radio Club held its first meeting. The Pep Squad organized a drill group, The Axettes, to perform at half time during basketball season. A Boys' Chorus, under the direction of Mrs. Maxine Pender, entertained students in the Christmas assembly.

The new clubs joined the regular ones in doing their traditionally excellent work in '66—A NEW YEAR FOR OLD TRADITIONS.

Superintendent of Webster Parish Schools, Mr. R. O. Machen, Vickie Cardwell, program chairman, Mrs. Jane Tidwell, sponsor, and Mr. Ed Olive, principal, were responsible for the success of the District Future Teachers meeting held at S H S last fall.



Coach Ted Souter, Nancy Smith, and Harold Modisette enjoy refreshments at the stadium at an informal reception given by the cheerleaders after the game.

SHS Hosts Social Activities

Social occasions occurred more often at S H S in '66 —A NEW YEAR FOR OLD TRADITIONS.

Open house was held for the football players, their dates, and their parents after Lumberjack home games.

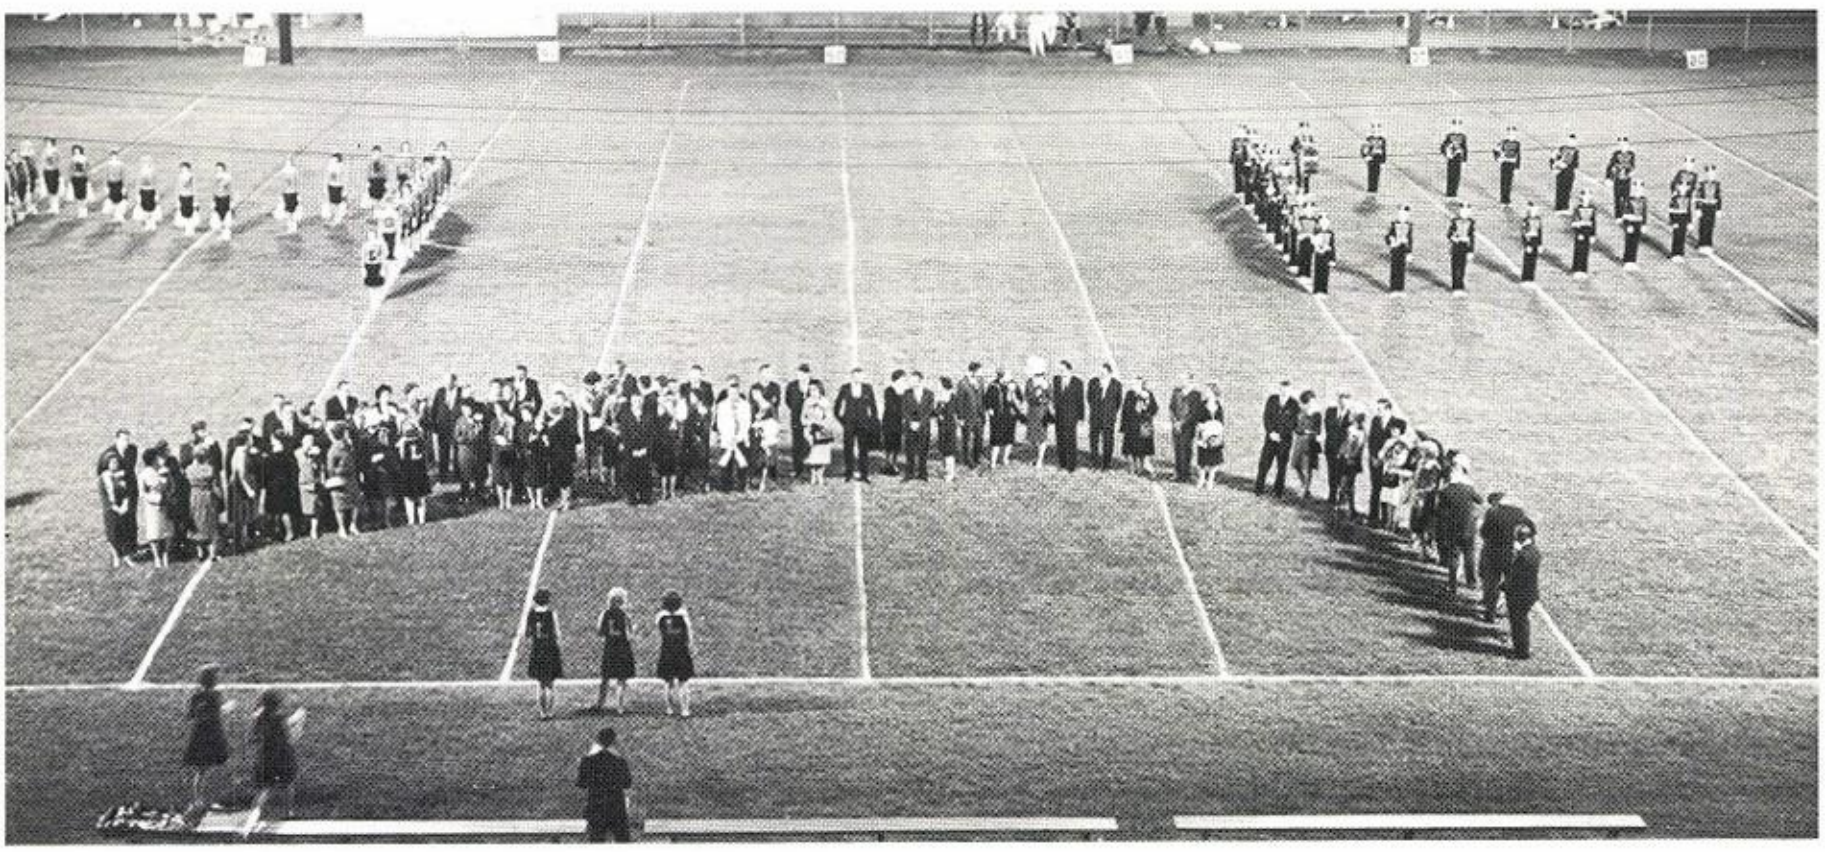
Open house was held by the student council in the office lobby for faculty, alumni, and friends during all school hours on the day of Homecoming.

Parents were honored at receptions after the National Honor Society and the Spanish National Honor Society inductions.

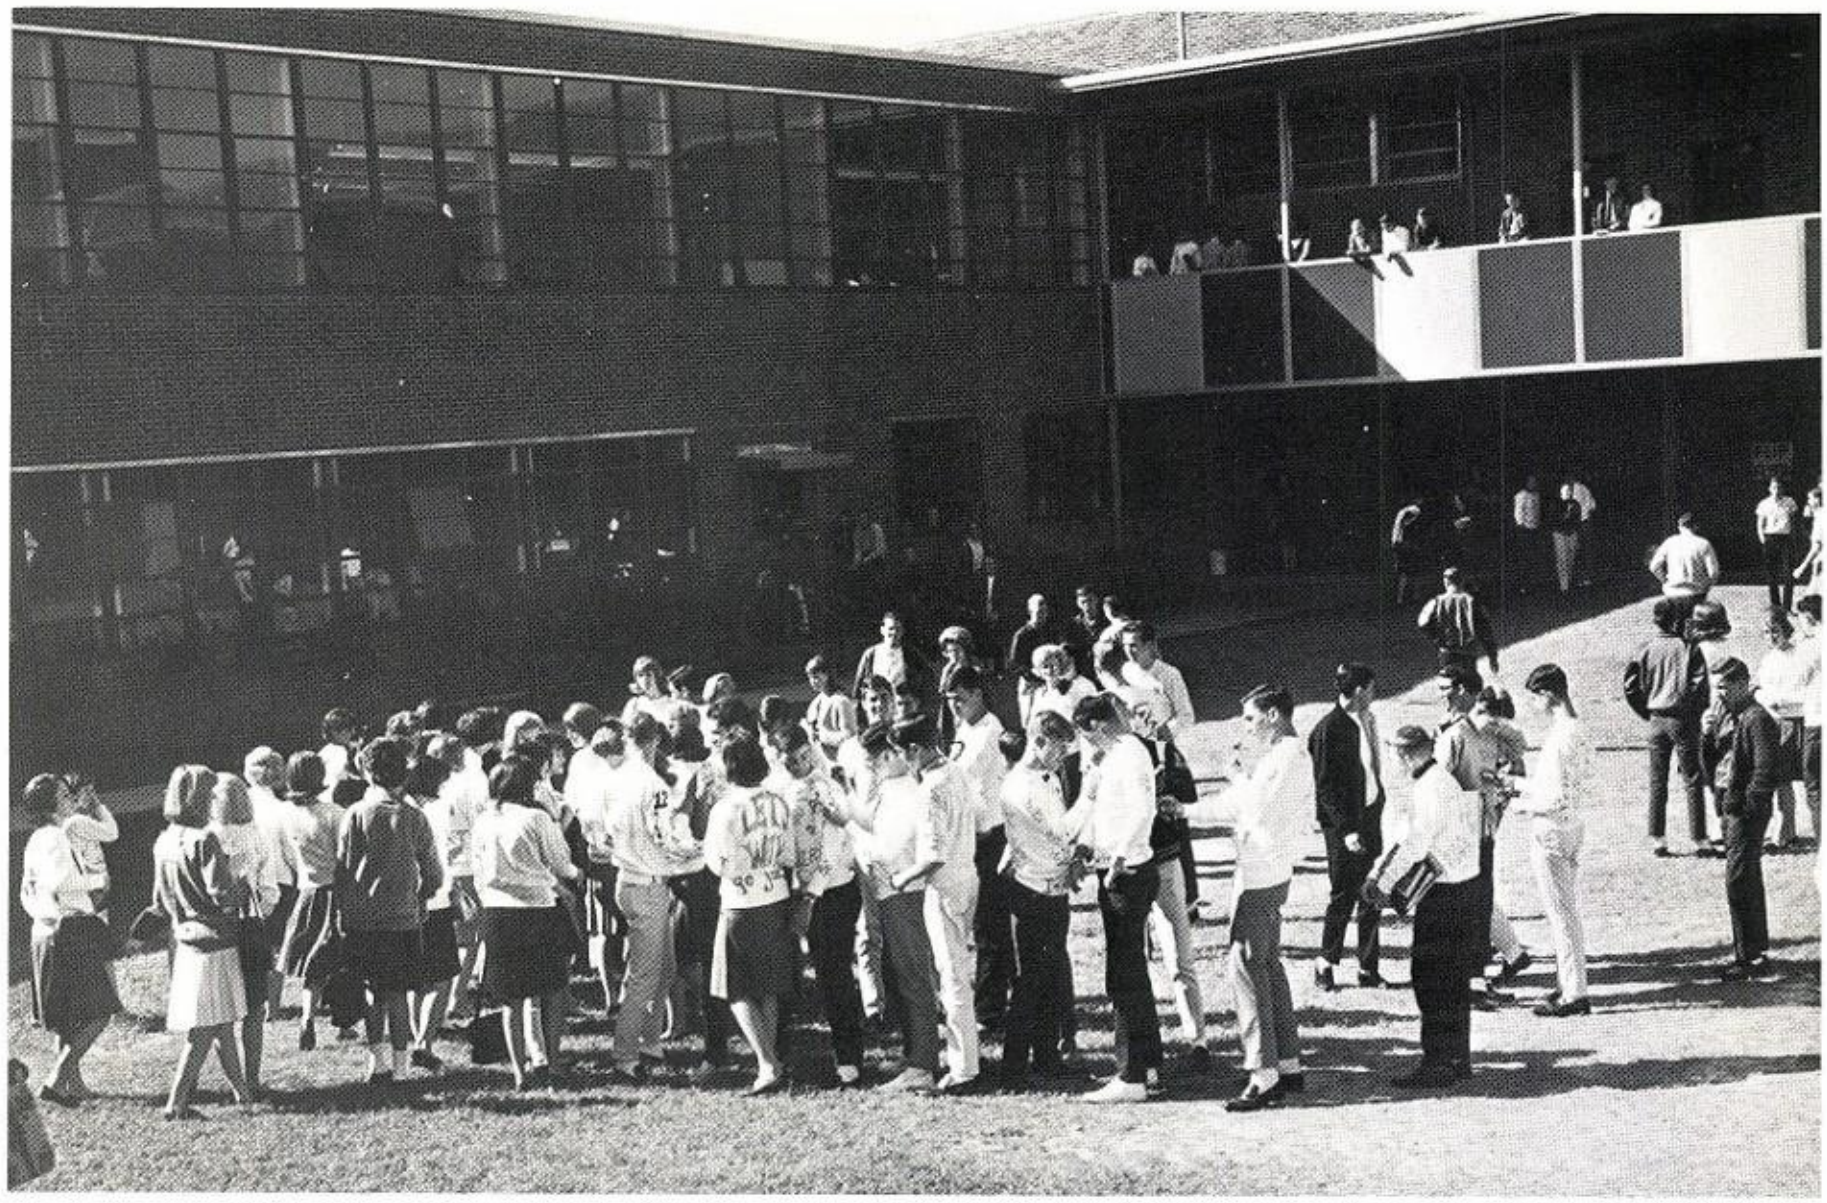
The student council held a tea for Mrs. Paul Hildreth, from Shreveport, after she gave a book review in assembly.

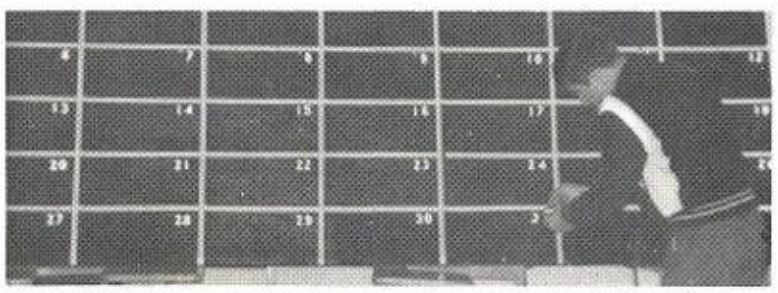
The pep squad invited students and faculty members to be their guests after the Minden basketball game.

Traditionally S H S honored the parents of the Lumberjacks in pre-game ceremonies before the Springhill-Menard Homecoming game.



The band and pep squad spelled Mom and Dad as a background for the special appreciation ceremonies for the parents of the football players. Yellow chrysanthemum corsages were presented to the mothers by the cheerleaders.





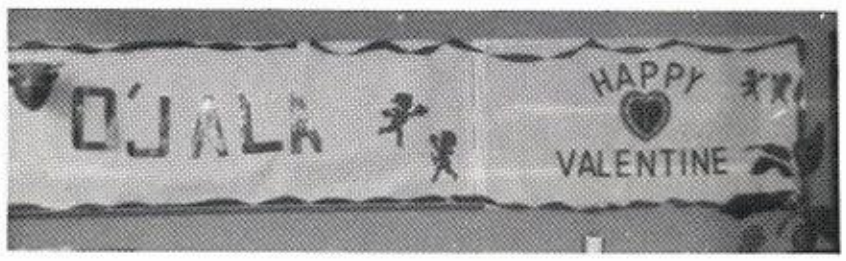
Decorations appeared at SHS in '66. In addition to the traditionally decorated doors, 2 Christmas trees appeared in each hall way. These trees were a National Honor Society innovation.

Colorful decorations appeared in the cafeteria. Each week a different club was responsible for decorating. The Spanish Club set pace for others to follow.

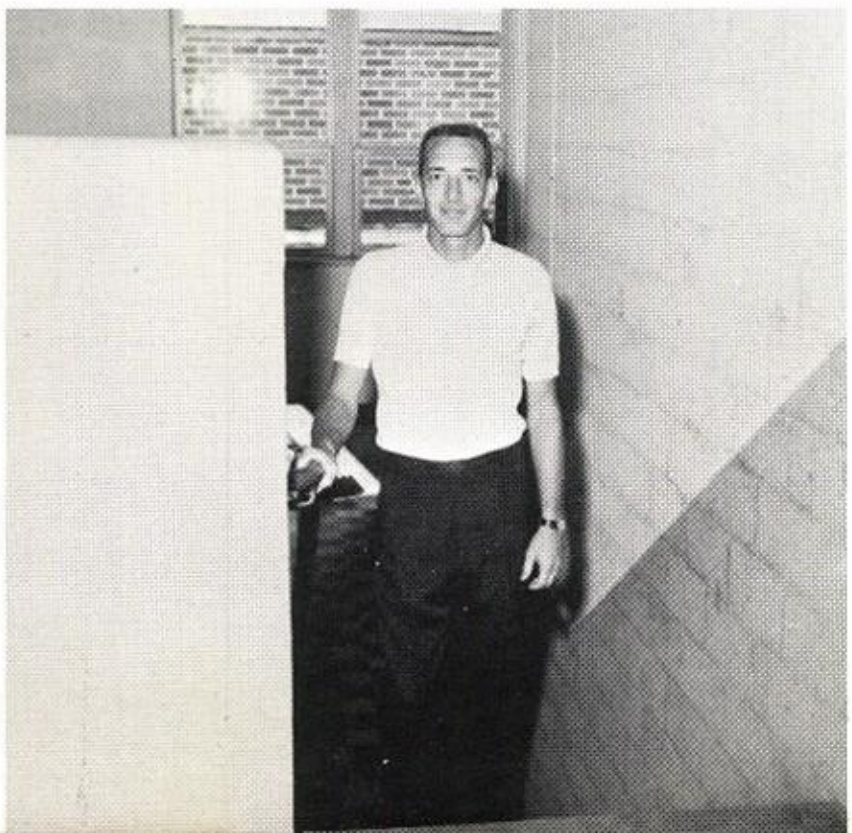
Enhancing the upper hall was the student council's new 9 foot long bulletin board to be used for their calendar of events, which they post monthly.

A new vibrance resulted from all the "first-time" events. Spirit reached an all-time high. The Springhill-Jesuit game will be remembered as a traditional standard of what can be accomplished by outstanding team effort.

Tradition has always been an important part of school life at SHS. This year it continued to be. We kept the old but we added the new. The result was a successful one. '66 A New Year for Old Traditions will be remembered as a good one.



Honoree Coach Travis Farrar



In '66 we honor a person who is to us a symbol of SHS.

He is modern in his thinking, but he is old fashioned in his morals.

He seems a stern figure on first appearance but he becomes a warm person when he is known.

He is a serious man at work, a mischievous one at leisure.

He is demanding of effort and appreciative of achievement.

He led us to our greatest moment this year when his spirit and leadership called forth our best effort.

We honor in—'66—a man who knows the value of winning and the humility of losing—

Faculty and Curriculum

The SHS faculty realizes that the student is the true center of the educational process. They teach pupils, not subjects. In a professional and ethical manner, they satisfy the basic want of "someone to make us do the things we can do."

Teachers work closely with students in an atmosphere conducive to learning. Clean, comfortable class rooms and modern equipment lead to active participation in a laboratory, independent study in a class room, lectures and discussions, and solutions to math problems. All areas of knowledge are made interesting.

The curriculum is based on the philosophy that the years a student spends in school are to prepare him to take his place in a changing world. Teachers strive to make pupils aware of the ideals of democracy. They encourage students to accept responsibilities and to meet the obligations of an adult society.

The curriculum includes the teaching of skills which will lead to further educational training. It also includes subjects which will prepare a student to enter the business of industrial world after high school graduation. SHS accepts its responsibility for developing each individual to his fullest potential.

New equipment for the department this year included 6 new record players, 30 new dictionaries, and additional copies of "A Cavalcade of World Writing."

All accelerated students saw "The Rivals" by Sheridan at La. Tech. A junior group saw "The Sound of Music" in Shreveport. A sophomore class visited the trade school in Shreveport.

The Book Fair was held this spring for the second time.

In April, accelerated students presented "An Evening of Fine Arts" for the parish English Council.

Classroom work emphasized correct usage, research, comprehension, and creative expression.

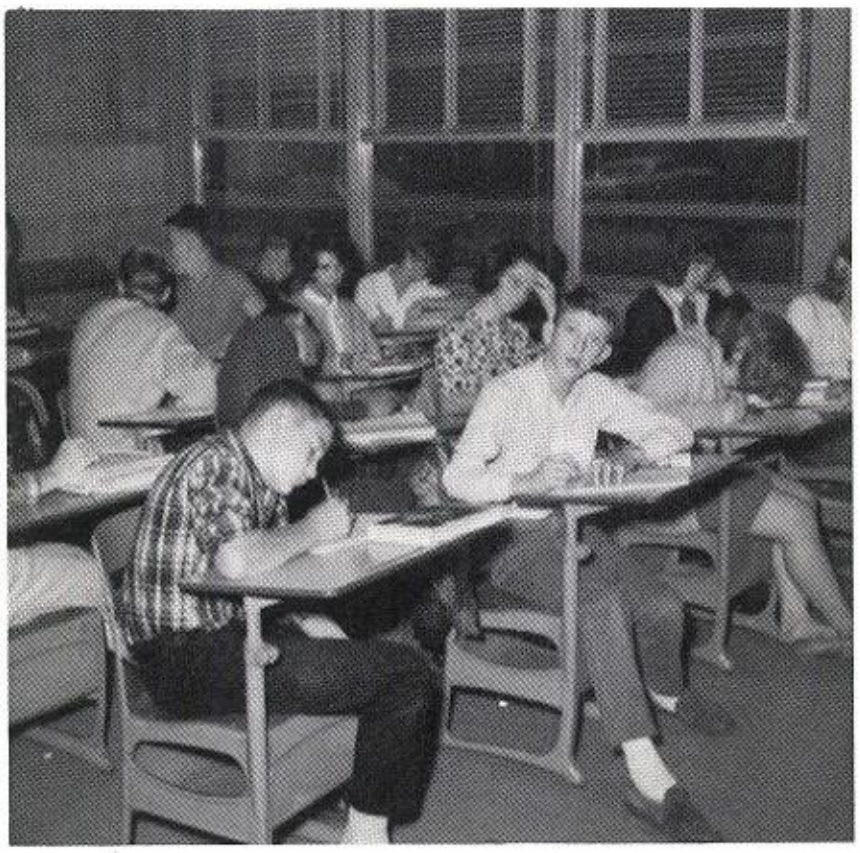
Freshman courses in science offer students a basic foundation for the higher sciences. These students are members of Mrs. Hinton's class.



Science Department Has 400 Students

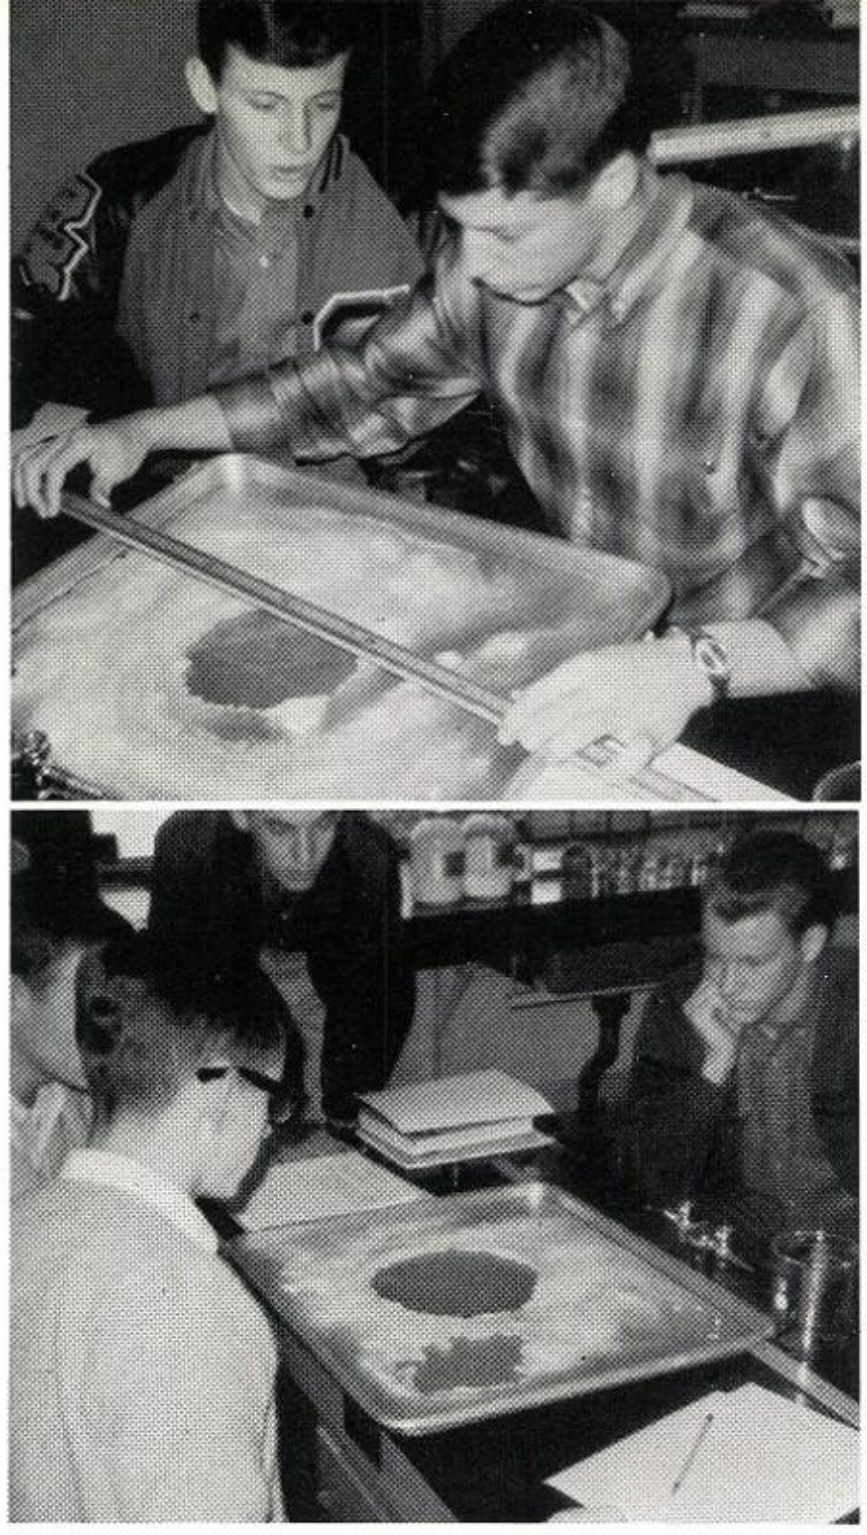
The Science Classes supplement text book work with field trips. The physics class went to a space seminar at Louisiana Tech and visited N A S A headquarters in Houston, Texas, while biology students took a week-end field trip to identify plant and animal life in our area. A representative from each general science class visited a hospital laboratory and reported to his class.

In the spring, students entered projects in the Shreveport Science Fair. Last year they won 8 local and 4 regional honors.

The chemistry classes saw a motion picture of research scientists and their quest to improve the health of mankind. The film was entitled "A Search With No End". Mr. Danny Scott discussed the N A S A program with those students enrolled in general science courses.

The Science Department replenished its old equipment this year. The biology classes received 6 new microscopes, while the physics class was issued new text books.

Approximately 400 students are currently enrolled in the S H S Science Department.



Physics students, Don Addison, Gary Blanton, Bill Burnett, and Lester Roan, measure the size of a molecule.

2 Credits in Math Required

Math students may choose 2 courses from General Math, Algebra I, Algebra II, Geometry, Senior Arithmetic, Trigonometry, and Advanced Math. College bound students should take Algebra I and II, Geometry and Trig.

Math students had new text books. All math teachers had received instruction in modern math.

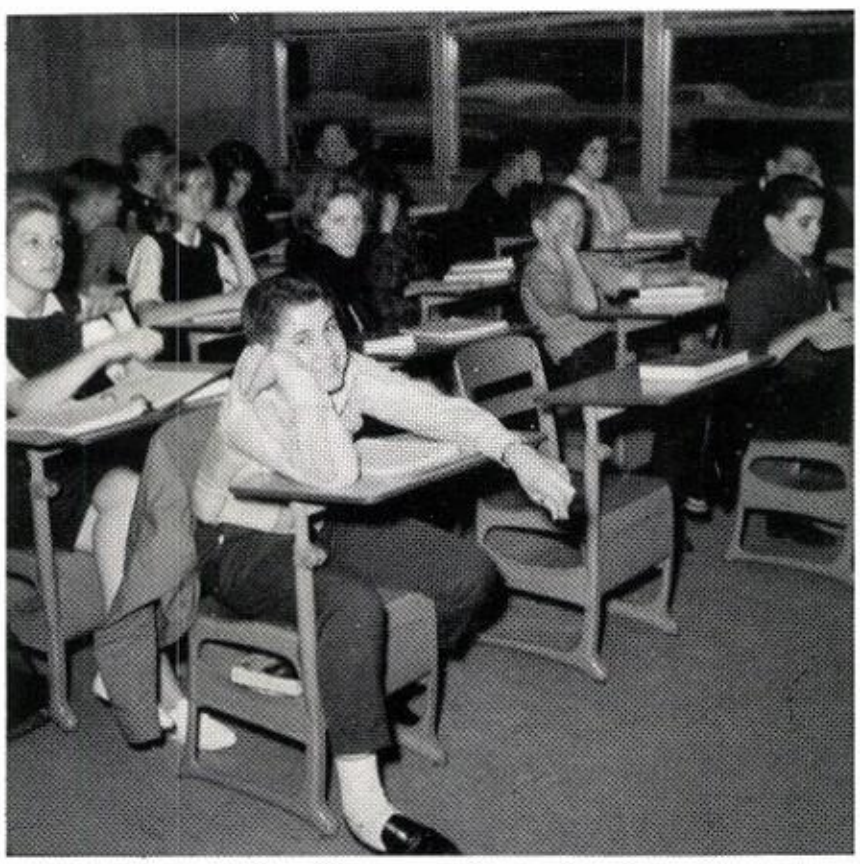
Accelerated geometry students built scale models of a skew quadrilateral.

Senior Arithmetic students made a thorough study of income tax and social security. Outside speakers were guests of the class.

Five teachers in the math department used various methods of instruction to teach their students the importance of mathematics and its value in the world today.

Careers in architecture, engineering, research, and teaching await good mathematicians.

Students in Mrs. Haynes' algebra I class were watching her factor a problem on the board until the photographer appeared.



Mrs. Peggy Merritt teaches a class in algebra. Her students are working problems from a mimeograph sheet.

MRS. MARGARET BRYAN—Spanish and Civics—B.A. Northwestern State College—M.A. University of Southern California—Junior class sponsor—Spanish Club sponsor—Spanish National Honor Society sponsor—The Banana Sisters sponsor—member of the American Association of Teachers of Portugal and Spain.

Students Observe Spanish Traditions

Jim Gayle signs the register as the first president of the Spanish National Honor Society.

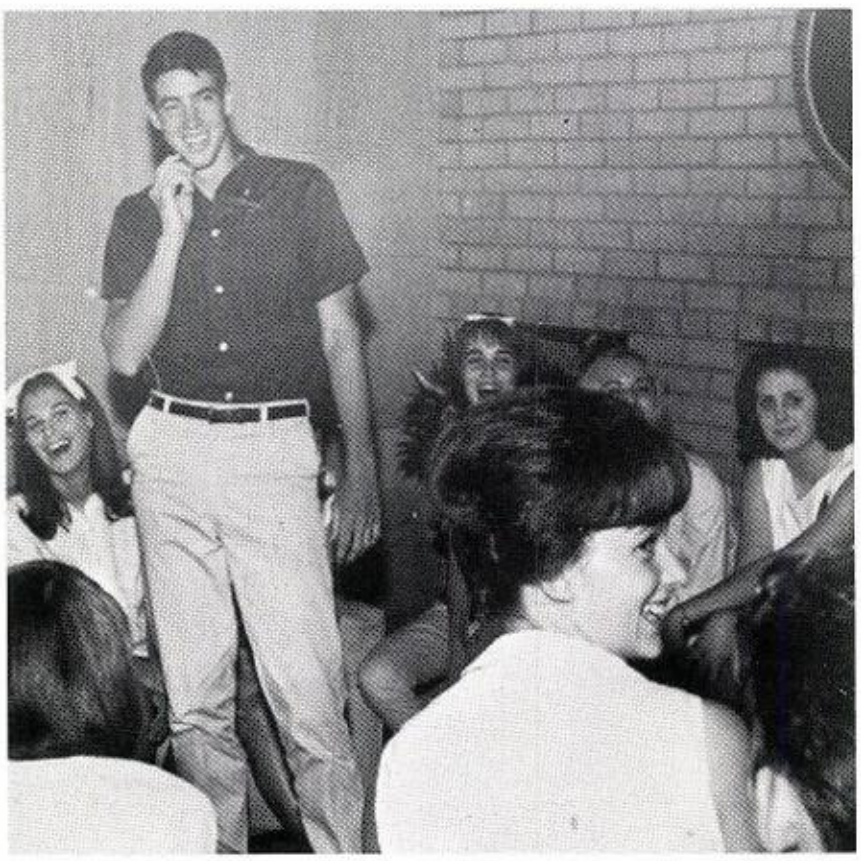
The purposes of Spanish I and II are to create a better understanding among people of different nations and to stimulate a desire to be able to talk their language. Working in a pinata decorated classroom and using a tape recorder and records, SHS Spanish students so well achieve these purposes that in both 1964 and 1965 Spanish I and II students have earned 1st places at district literary rally.

Students read extra-curricular simplified novels and newspapers. They study grammar from the text. They learn conversation by records and tapes. They sing in Spanish for diversion.

A fun time class project is the observance of the Spanish New Year tradition of eating one grape for each month just as the clock strikes the new year. The number of grapes one can eat without interruption determines the months of happiness a Spaniard will have.

The Banana Sisters, who practice each Thursday afternoon in the home of Mrs. Bryan, sang for The Spanish National Honor Society initiation.

Bill Lodge smiles after his election as president of the Spanish Club. He succeeded Jeanii Harrison.



MRS. GLENDA M. TAYLOR—Speech I, Speech II, and American Government—BS Louisiana Tech, sophomore class sponsor—Dramatics Club sponsor—Senior Play Director

Speech Students Present Lively Assemblies

Speech I and Speech II are taught at S.H.S.

Speech I emphasizes public speaking. Debate, after-dinner speeches, parliamentary law, and round table discussions are studied.

Speech II students enter the American Legion Oratorical Contest. They prepare a 10 to 12 minute oration on Americanism and Constitution.

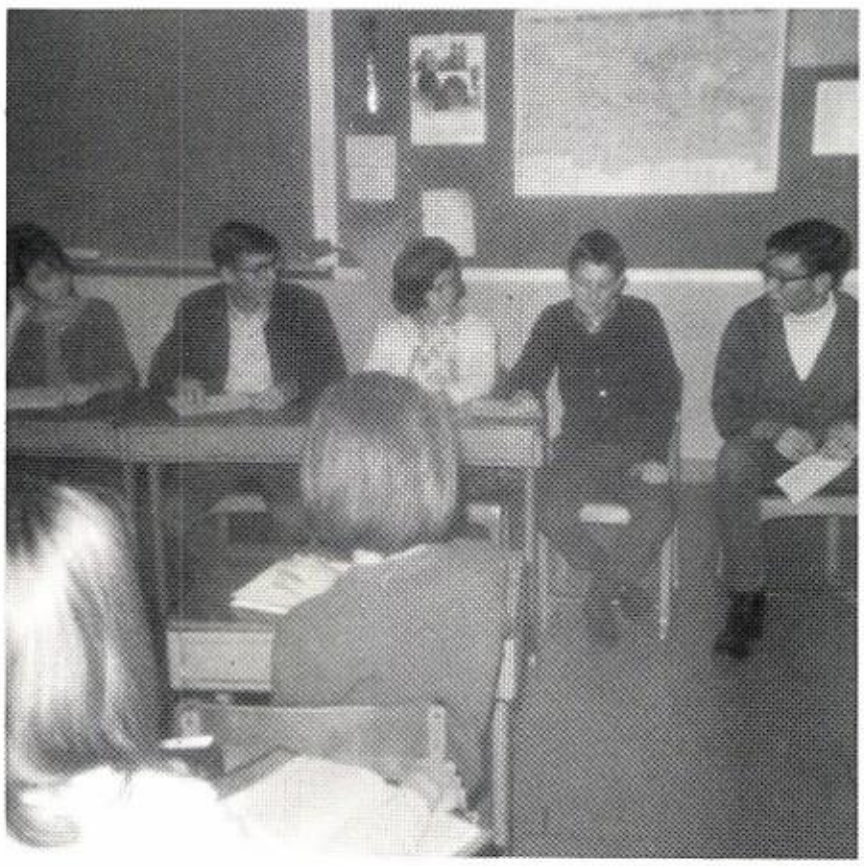
Speech II students also study drama. They study lighting, staging, and applying make-up. They presented a play for the English classes.

Speech classes provide interesting assembly programs.

On January 27th they presented two melodramas —"To The Moon" and "The Featherweight Champ." Two students gave comic readings.

Larry Stone and Skip Wayland read over script for Speech II class assembly.

Kenny Wreyford talks to Darlene Scuter on stage. Kenny had the lead in the play "True Blue and Trusted".



Donna Myers, Richard Huber, Nancy Weible, Bill Curry, and Butch Slack are discussing U.S. Forces in Vietnam.

Reverend Jerry Kidd taught I A I and IV the 1st semester. Mr. Vincent Tuminello joined the staff at mid-term.

The department used 3 sets of new textbooks this year.

The students entered the annual Craftsman's Fair in Natchitoches.

Office practice polishes shorthand and typing skills, and teaches filing and the use of the dictaphone and the calculator. It stresses business English.

The business department received 33 new typewriter desks, which are adjustable to height. The business department also received a new calculator and dictaphone for use by the students.

The completion of business courses enables some students to take secretarial positions immediately following graduation.

Students take driver's training in their freshman year and sophomore year.

Automobiles for the program are furnished by local Ford and Chevrolet dealers.

Elaine Rhymes and Martha Smith show interest in learning the parts of the automobile engine.

Driver's education car returns to school after a day's driving course has been completed.

The chorus meets each day at the regularly scheduled 6th period. They present two concerts a year. Chorus counts ½ credit.

Band practice is held each day at 11:25 A.M. Band counts 1 credit.

The band functions as a marching unit until football season is over. It then converts to a concert organization.

Mr. Pund, band director, calls the band to order and begins a day of rehearsing.

Cecil Thompson, Pattie Quina, Sara Allen, Patty George, rehearse for chorus concert.

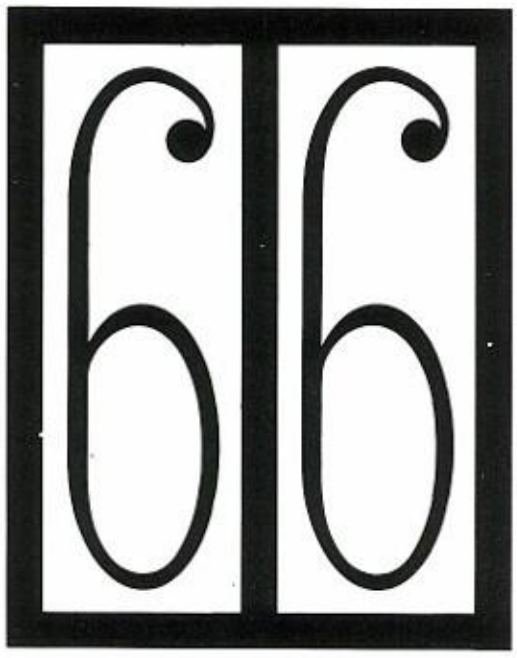
Six weeks of classroom study about health and safety is required.

P.E. counts a full credit.



FEATURES

180 days a year for 8 hours a day, students are busy with school life. For some, the activity ends here. For others, the day must be the borrower of the night so that extra hours can be found to study harder, to meet with committees, and to participate in the many extracurricular activities available at SHS.

As a student travels his 4 year high school road, he encounters many opportunities for service. Some do not accept these. They put self first. They are busy with their own work. They want to get their business settled first and then worry about making decorations for the banquet or writing their article for the paper. Others do accept! They find themselves working on yearbooks until 5 o'clock, going to play practice at 6—and coming home at 9—tired and exhausted—to face homework.

Someone once said "We succeed ourselves in direct proportion to the way we serve others." Those who give unselfish service win recognition and honor; they become leaders. They know they must make good grades so they study harder; they gain good scholastic averages. Because they are busily involved in wholesome activity, their character is strengthened.

In the feature section we honor those who, in all areas of school life, have been busy accomplishing something extra to benefit SHS in '66—a new year for old Traditions.

Members of the court and their escorts were Queen Nancy Smith and Donald Woodard, senior Donna Nichols and Rudell Vaughn, junior Claudia Quina and Larry Stone, sophomore Cathy Cadenhead and Jim Gayle, freshman Pam Duke and Roy Dale Strother.

In a fall ceremony based on the lives of great presidents, The National Honor Society initiated 21 seniors who had shown outstanding scholarship, leadership, service, and character during their high school career. The ceremony was followed by a reception for the students and their parents.

Meeting in the homes of students and sponsors on the 2nd Tuesday night of each month, the group became one of S H S's most active organizations.

They collected $150 for the muscular dystrophy fund. Each week they placed a sign giving a famous quote in every home room. They undertook the study of an honor code for S. H. S. students. Individual members gave private instruction to students who needed help in school subjects.

Officers of the group are Gary Pool, president; William Slack, vice president; Patty George, secretary; and Larry Stone, treasurer. Sponsors are Mrs. Katie Robertson, Mrs. Dorothy Jones, and Mrs. Barbara Dean.

A second election of members was held in the spring.

S.H.S. Charters Quill and Scroll

Quill and Scroll is the International Honorary Society for High School Journalists. Membership is a distinct honor and is reserved for those outstanding publication staff members who meet the basic requirements established by the Society and its local chapters. Candidates for Quill and Scroll membership must have demonstrated fully to the satisfaction of their staff advisor that they merit the award through high scholarship, journalistic achievement, and service.

At the time of their election to membership, students must be of a junior or senior classification. They must be in the upper third of their class in general scholastic standing, either for the year of their election, or for the cumulative total of all their high school work. They must have done outstanding work in some field of journalism. They must be recommended by their sponsor, and they must be approved by the Executive Secretary of the Society.

Quill and Scroll was organized April 10, 1926, by a group of high school advisors for the purpose of encouraging and rewarding individual achievement in journalism and allied fields. Since its organization, the society has granted charters to more than 7,500 high schools. Quill and Scroll has more than 400,000 alumni.

Students pictured above are charter members of the S.H.S. chapter of Quill and Scroll. They are members of the Axe and The Lumberjack staff.

Spanish Honor Society Is New to S.H.S.

The official name of the Spanish National Honor Society is the Sociedad Honararia Hispanica. Its purpose is to create an earnest desire to speak Spanish as a second language and thus create a better understanding of the Hispanic world. The organization promotes high standards of grades and morals among Spanish students.

Meetings are held 3 times a year in the homes of sponsors or members. Club projects are financed by the dues paid by the members.

A special event of this year was the initiation service conducted in Spanish before the student body. The members held a reception for their parents following the ceremony.

Officers of the charter chapter of this organization are president, Jim Gayle; vice-president, Larry Stone; and Secretary-treasurer, Stephanie Lineberry. Sponsors are Mrs. Margaret Bryan and Mrs. Katherine Robertson.

Cheerleaders and Jacks Have Busy Season

The cheerleaders helped promote "Beat Jesuit Week" with a downtown pep-rally.

Cheerleader elections are held early in the spring. The six lucky girls, chosen by the S.H.S. student body, begin their work almost as soon as they are elected. During the summer the cheerleaders paint victory signs. learn new yells and attend a cheerleader clinic. This year the girls attended S.M.U. cheerleader school in Dallas, Texas.

The cheerleaders are a vital part of S.H.S. Their enthusiasm in serving S.H.S. is seen throughout the year—at bonfires, pep-meetings, in signs, and gaily decorated goalposts.

This year the student body chose to re-elect four experienced cheerleaders. Vicki Cardwell and Cathy Wynne were two new members elected to complete the sextet. Led by head cheerleader, Linda Henslee, the group became the official spirit of Springhill High School!

Students Win Honors at Leadership

Leadership conference is held annually on the Louisiana State University campus in Baton Rouge. It is designed chiefly to train students in journalism (newspaper and yearbook), speech, library assistance, and recreation, but it also gives the students the chance to become acquainted with many new and different people. Each year outstanding students who are completing their junior year are chosen to attend this worthwhile summer workshop.

Classes were held in the morning and afternoon, but at night planned activity was available for everyone. The delegates to Leadership enjoyed such things as "Get Acquainted" night, Recreation night, a picnic and swimming party, a dance, a talent show, and to climax the conference, a banquet honoring the students, their sponsors, and all persons connected with Leadership.

This year Gary Pool, Russ Burnham, Janis Nations, Nancy Smith, and E. G. Walden were representatives for the yearbook division; Jeanii Harrison, Vicki Weible, Patty Twitty, Larry Stone, Kay Baucum, William Slack, Linda Henslee, Laura Barfoot, Beverly Corbell, David Halterman, and Curtis Nesbit were representatives for the newspaper division. S. H. S. students represented our school with overwhelming enthusiasm as two of the newspaper delegates were elected to a high office on the Leadership Voice. They were Vicki Weible, Editor-in-chief, and Jeanii Harrison, News Editor. In tryouts for the talent show, Larry Stone was selected as the Master of Ceremonies.

S.H.S. Pelican Stater Named Outstanding Citizen

Pelican State is held each year in August on the L. S. U. campus. Junior delegates are chosen by the faculty and former Pelican Staters to spend 10 days learning the duties, privileges, and responsibilities of American citizenship. Each delegate to Pelican State is assigned to a city and a parish.

During the 10 days of Pelican State each city and parish is responsible for a project. Within this period, the courts are established, the Senate and House of Representatives convene, and the party conventions are begun.

In the conventions the candidates for state offices are selected, and the parties begin their major campaign. The parish party chairman and the state party chairman are also selected. The winners of state offices are announced at the Governor's Ball, the traditional closing event of Boys' State.

Last summer Jeannii Harrison and Gary Pool served as senators. Janis Nations, Patty Twitty, and Russ Burnham were representatives. Jo Ellen Haynes and David Halterman were Police Jurors and Curtis Nesbit was on the School Board. Russ Burnham was selected as outstanding citizen of his city.

ACTIVITIES

Only parents of students, other than the administration, faculty and student body, can conceive of the many activities SHS includes in her schedule. Rarely a day passes that does not necessitate a call meeting of some group; there is always a practice for some thing. The Banana Sisters meet every Thursday at 4. From January to the end of February the Lumberjack Staff works from 3 until 5 each day. The student council meets every second Tuesday at 3rd period. A result of all this activity is a happy, high spirited SHS student body in '66—a New Year for Old Traditions.

Students go to work early. When we arrive on registration day, we find them holding signs telling us where to sit. On each class room door, we find the teacher's name and her schedule.

Homecoming is always our first big activity. A special assembly and a parade, featuring the Queen and her court and floats made by the clubs, are anticipated events.

Throughout the fall are the pep meetings held to inspire the Lumberjacks. Momentous this year was the spirit of the "Beat Jesuit" week.

Amid all this activity is the personal part of high school life—pride in having made the best grade in the class—unhappiness in having lost the election—anger in quarreling with a friend, boy or girl.

And above all else is the class room work—always interesting and challenging. Without it, there would be no SHS. Education is our reason for being.

The school year begins with various elections. Here, the student council executive officers and elections committee count votes for the first election of the year, Homecoming Queen.

Between classes students enjoy conversation with friends.

Springhill merchants express their desire for the Lumberjacks to beat Jesuit by sponsoring a downtown pep-rally.

Merchants, teachers, and students alike did much to make "Beat Jesuit Week" the huge success it was. During the week many contests were held to inspire the students and create as much spirit as possible. Trash can decorations, sweat shirt gimmicks, and sign contests were only a few of these. Wednesday and Thursday nights pep rallies were held at Gibson's and A & P's parking lots. During recess on the morning of the game, downtown merchants formed a line and circled the school several times to help boost the Jacks. As a climax to "Beat Jesuit Week" students and teachers marched down town for a pep rally.

ATHLETICS

Lights blazing! Bands blaring! Pep squad yelling! Whistles blowing! Leather knocking! Lumberjacks loosing! Footballs flying! Tension mounting! Fans applauding! Lumberjacks winning! Remember the excitement of an important game?

Competitive sports promote spirit; they unite the student body in a common purpose. They teach us to cooperate and to work together during times of tension and pressure. In '66—A New Year for Old Traditions, spirit rode high at SHS.

Athletics are an important part of school life. Approximately 100 persons participated in the '65-'66 football program, and approximately 35 boys are out for track this spring. In addition to these sports, SHS has boys and girls basketball, golf, tennis, and volleyball.

The SHS athletic participants have gained the reputation of being good sportsmen in all fields of play. Lumberjacks and Lumberjills are known for their rugged playing, their rigid training, and their spirit of determination. They don't win them all, but they play each one to the best of their ability. Their competitive attitude has earned them the respect of the students and the community.

Jacks Boast 6-3-1 Season

From the first toss to the last whistle, the 1965 Lumberjacks showed hustle and determination. Although hurt by injuries to key players, they ended up in third place within the district and proved to be worthy opponents for everyone they played.

SPRINGHILL 18 HAYNESVILLE 0

The 1965 Lumberjacks began the season with a victory over the Golden Tornado. The offense rolled well with Jim Gayle scoring once, and Don Addison scoring twice on a keeper and an intercepted pass. The defense took up this year where "the hungry nine plus two" left off last year and did a very convincing job.

SPRINGHILL 27 BOSSIER 6

Triple A Bossier was the Jacks next victim. A tough defense and a breakway offense brought the Jacks into the victory room. George Simmons scored first after a recovered fumble. Jim Gayle took a punt 78 yards for a touchdown. In the second half the Jacks scored twice more with Addison running for one and Simmons picking off a pass for his second score.

SPRINGHILL 20 JONESBORO 7

The Jacks traveled to Jonesboro for the next encounter with the ranked Tigers. The Tigers scored first, but Springhill came back just before the half when Addison took it over to make the score 7-7. Springhill came out in the second half ready to play ball. Gary Blanton scored once, and Danny Edens added another with an intercepted pass to pile up the final margin.

SPRINGHILL 39 NORTH CADDO 0

In the first district game the Jacks showed they were ready to defend the title they won last year. Over a relatively young Rebel team the Jacks scored almost at will. George Simmons scored on the first play from scrimmage with a 62 yard run. Before the night was over, he had scored twice more. To help carry the scoring load, Jim Gayle scored twice and Gary Blanton once. The Jacks defense continued to do their fine job.

SPRINGHILL 0 HOMER 26

After winning the first four games, the Jacks tasted defeat for the first time at the hands of the Homer Pelicans. With Don Addison, senior quarterback, watching from the sidelines in street clothes, the Jacks couldn't get started. The only scoring threat the Jacks could muster came in the first half, but time ran out only inches away from the Pelican goal.

Coach Farrar issues instructions at halftime.

6 Lumberjacks Win District Honors

SPRINGHILL 0 MENARD 0

Even Homecoming couldn't put Springhill in the win column again. The Jacks met the state quarterfinalists on almost even terms. With Addison still out, the Jacks had trouble scoring against the spirited Menard defense. The Jack defense likewise held the Menard ballcarriers in check all evening. This tough defense and lack of offense accounted for the scoreless tie.

SPRINGHILL 7 RUSTON 0

After doing everything but scoring in the last two outings, the Jacks pushed across a score and then held on for the victory. The lone score came on a 25 yard pass from junior quarterback Gary Toms, who took over starting chores for this game, to Jim Gayle. The Jack defense kept up their good work by denying Ruston a point.

Sophs Compile 8-2 Record

SPRINGHILL 20 JESUIT 21

With spirit bubbling over, the Jacks were out to knock over the highly touted Flyers. With Don Addison back in action, the Lumberjacks scored twice in the first period. Jim Gayle scored on a 48 yard punt return, and Danny Edens returned an intercepted pass 35 yards for the other. All hopes were dashed in the second half, however, as the Flyers came to life and eked out the win.

SPRINGHILL 0 AIRLINE 27

The strong Airline Vikings of Bossier City showed why they are so highly regarded, but the game wasn't as one sided as the score indicates. A little worn out after the tremendous effort for the Jesuit game, the Jacks couldn't get rolling.

Cayle returns punt for touchdown against Jesuit's Blue Flyers.

SPRINGHILL 25 MINDEN 0

The Lumberjacks completed a successful season, at least in the won-lost column, by defeating the Crimson Tide. Addison struck first on a 1-yard plunge to make it 7-0. That score remained until the fourth quarter when the Jacks scored three times behind Gary Blanton and Jim Gayle. This brought the season record to 6 wins, 3 losses, and 1 tie.

The 1965-66 Lumberjacks completed the season with a 19-13 won-lost chart. They came in third place in the district race, while copping the El-Dorado Oil Belt Tournament and the Cotton Valley Invitational Tournament. Coach Bob Pender's Lumberjacks, led by a starting five composed of 4 seniors and 1 junior, had a chance for a playoff berth until beaten by Minden in the last game of the season. COACH OPHELIA CARROLL

Girls Basketball

The S.H.S. Lumberjills defeated the Minden Tidettes to clinch the district title for the thirteenth consecutive season. The Jills, led by Coach Ophelia Carroll, began their season with only three starters from last year. The inexperienced Jills were soon rewarded for their hard work and long practice hours. The Jills won first place at their doubleheader and also at the Cotton Valley Tournament. A desire to win, plus that "extra effort" resulted in a winning team.

Intra-Mural Sports Popular With Girls

Intra-mural sports are becoming a favorite activity among the girls of S.H.S. To become eligible to play, one must obtain an intra-mural card. This card is purchased from Miss Carroll for ten cents. This money is used to buy new equipment and other useful items for the gym.

The intra-mural games are played after school. Some of the games which the girls play are softball, ping-pong, and volleyball.

Left to right: Donna Smith, Jo Ellen Haynes, Glenda Smith, Janis Nations, Linda Reeme, Pat Wolfington.

Volley Ball Team Attends "Sports Day"

More and more girls are participating in volleyball. This sport is on the rise at S.H.S.—due mainly to the interest created by the intramurals. The volleyball team, composed of 12 members, is sponsored and coached by Miss Ophelia Carroll. The members of the team practice daily after school.

The highlights of the volleyball season are the district sports rally held in April in Ruston and the "sports day" held at Southern State College. The volleyball team also competes in games with surrounding schools.

ORGANIZATIONS

Clubs and organizations offer each student the opportunity to become a part of a smaller group and to work closely with others. Active participation in these groups develops qualities of leadership Because we receive from what we give, students develop a sense of loyalty and school pride through club service.

S.H.S. offers clubs covering every area of interest. Most of these meet at the regularly scheduled club period on alternate Thursdays. Others hold after school and night meetings.

Clubs enrich not only the student who joins them but others as well, for they contribute to the cultural aspect of school life. The school yearbook and newspaper result from club effort. The Banana Sisters, sponsored by the Spanish Club, appear before many civic groups. The Dramatics Club and the Chorus present a traditional Christmas Assembly. The Student Council sponsors Mrs. Paul Hildreth, from Shreveport, who reviews a book for the student body. This year she presented "Love or Perish" by Dr. Smily Blanton, co-worker of Dr. Norman Vincent Peale. The council arranges other outstanding speakers. This year we were honored to hear Congressman Joe Waggoner.

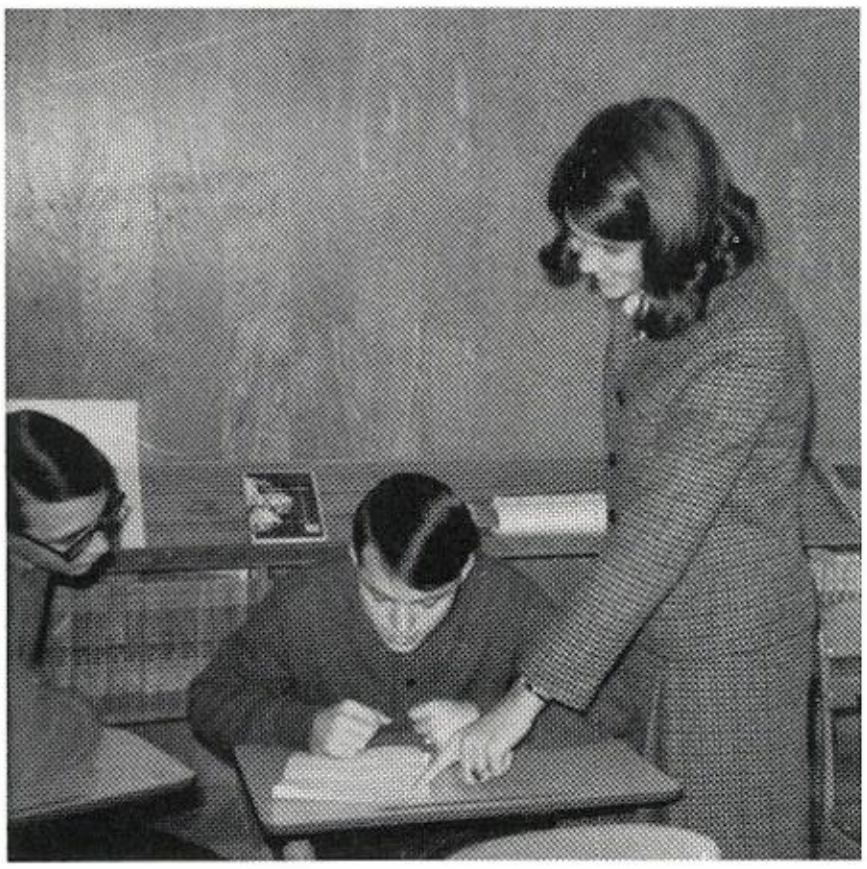
Executive Committee Plans

Student council president, Nancy Smith, explains schedule to representatives Johnny Robinson and Gary Pool.



Twenty-eight home room representatives and twenty-eight alternates are the link between the executive council and the student body. They become announcers, salesmen, decorators, vote counters, and ambassadors of good will. The level of school spirit is dependent, to a great degree, on their effectiveness.

This year the council arranged for Congressman Joe D. Waggoner to speak to the student body. They also presented Mrs. Paul Hildreth, who gave a book review.

The council is responsible for all assembly programs. They hold all school elections. They conduct a Freshman Orientation program for Junior-High students.

Representatives and Alternates Act

This year the council had a permanent calendar of events made. They promoted a student art exhibit. They taught flag etiquette. They sponsored a clean up campaign.

Teen Town Council Sponsors Dances

The Teen Town Council is an organization of S.H.S. students who plan social activities for week-ends and special occasions. The 16 members are chosen by the council members themselves. The club meets once every two weeks.

The council has sponsored many combos from different parts of Louisiana and Arkansas. Of these groups the Uniques are the most popular.

Approximately 600 youths from the Ark-La-Tex were guests of the council at their Thanksgiving dance, featuring John Fred and the Playboys, from Baton Rouge.

The Uniques played for the Christmas dance, one of the best dances of the year. The Valentine dance featured The Basement Wall from Baton Rouge.

The council has also sponsored such other bands as Ron Gray and the Countdowns, from Springhill, the Nomads, from Magnolia, and the Cobras, from Monroe.

The Teen Town Council is noted as the leading organizer of teen recreation in Springhill. Jimmy Sterling is the council's president. Mr. Richard Johnson is the club's sponsor.

The Uniques hold top spot in popularity with the local teen-agers. Led by Joe Stampley, the group composed of Bobby Stampley, Bobby Sims, Ray Mills, and Mike Love, has already contributed important hit sounds to the now-a-days pattern of "in" music. Appearing in night clubs and TV and in the New York Paramount, they have won national followers.

One of the very first things to be noted about "The Uniques" is that they all are vocalists aside from being instrumental masters. Most of their recordings, however, feature notably the singing of Joe Stampley.

Among the most popular records of the Uniques are "Not Too Long Ago", "Fast Way of Living", and "You Ain't Tough Baby". They have also made an album entitled "Uniquely Yours". The group records for Paula Records.

Twenty-six students, supervised by sponsors, Mrs. Freida Olive and Mrs. Bess Stone, and editor-in-chief Jeanii Harrison, complete this routine six times a year.

This year the Axe staff led the way in the organization of the charter chapter of the "Quill and Scroll" International Honorary Society for High School Journalists.

Band Has Self-Governing Council

The 1966 Springhill High School Band is one of the school's outstanding organizations. Under the leadership of Mr. Louis Pund the band completed a successful marching season in November and then spent the remainder of the year in concert work.

This was the second year that the band had functioned under a self-governing council. This year the band council was headed by Russell Burnham, Captain, and Donna Bolton, Drum Major. First Lieutenants elected to the council were seniors David Halterman and Elizabeth Wieble and juniors Linda Reeme and David Spence. Second Lieutenants were sophomores Jo Ann McWilliams and Curtis Robertson and freshmen Patricia Flournoy and Scot Cardwell. The majorettes were represented by the head majorette, Donna Nichols. Laura Barfoot served the band this year as secretary.

The band had as special guest conductor and clinician Mr. Jimmy Reynolds, Director of Music for Louisiana Tech. Mr. Reynolds visited the school in January.

Besides its regular marching dates, the Lumberjack Band participated in the annual State Fair Parade in Shreveport.

CLASSES

"It is the men and women so poured in and out all day that gave the building a soul of dreams and thoughts and memories."

Carl Sandburg

A sound of laughter—
A boy and a girl walking down the hall—
Books falling from a locker—
A cheerful goodmorning greeting—
Students reciting "Pope" in preparation
for a 8:10 test—
Another laugh—
The ring of a bell—
The rushing to a class—
Silence—
Another day begins at S.H.S. in '66
A NEW YEAR FOR OLD TRADITIONS.

The high quality of S.H.S. students is traditional. In their search to know themselves and others, they go unassumingly but sincerely about their task of growing up. Mr. Olive said of them, "I am proud of you as a school. I am proud of you as an individual student. It is gratifying to work with students who still believe in ideals, morality, and spiritual values."

The ring of a bell—
Footsteps—lockerdoors closing—
A cheerful goodbye—
Silence—
The building is emptied—
But tomorrow again they will bring their dreams and thoughts and memories and the building shall have its soul.

ADVERTISEMENTS

The S.H.S. student body is aware of the interest of the merchants of Springhill in them. Their confidence in youth has been shown on every occasion. 4 modern schools, a summer recreation program, a recent school bond issue, support of the athletic program, interest in the band, a willingness to appear on guidance day programs, a lighted gold water tank with the name Lumberjacks on it—all of these and many more show the pride the town has in its young people.

Because of the kindness and cooperation of the merchants, it is possible to have the '66 Lumberjack. We wish to express our appreciation to each of them for their interest in an important part of our school life.

As we go our separate way, we shall remember the attitudes and building establishments of these citizens, the business people of Springhill.
